Dear Susie M. Banks,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

I'm saying no to your suggested rate increase, you just upped the rate a few years ago from \$20.00 plus dollars to your present fee of \$52.10. My God what are you people doing? Stop giving yourselves a pay raise and use the money we are being charged to run your system. It's really ridiculous, you people are acting like we are millionaires - billionaires or just plain old rich people. They way you are charging us I feel each of you are rich and still want more. Stop it and stop it now. I wish there was another sewerage company around that we could us and kick your Palmetto Utilities to the curb. Just remember God is watching and you will pay for how you are gouging his children. I say no, not no, but h... no to your projected raise.
